All beds shall be provided with instructions for use in the official language(s) of the country where the bed is sold. The instructions shall be headed:

IMPORTANT – READ CAREFULLY – RETAIN FOR FUTURE REFERENCE

The instructions for use shall include at least the following information:

The word **WARNING** can be given at the top of a list of warnings. Alternative wording is permitted provided the meaning is complete and identical.

a) If the product is a bunk bed:

WARNING “The upper bed is not suitable for children under six years due to the risk of injury from falls”;

b) If the product is high bed:

WARNING “This bed is not suitable for children under six years due to the risk of injury from falls”;

c) For bunk beds and high beds:

WARNING “Bunk beds / high beds can present a serious risk of injury from strangulation if not used correctly. Never attach or hang items to any part of the bunk bed / high bed that are not designed to be used with the bed, for example, but not limited to ropes, strings, cords, hooks, belts and bags”;

WARNING “Children can become trapped between the bed and the wall, a roof pitch, the ceiling, adjoining pieces of furniture (e.g. cupboards) and the like. To avoid risk of serious injury the distance between the top safety barrier and the adjoining structure must not exceed 75mm or must be more than 230mm”;

WARNING “Do not use this bunk bed / high bed if any structural part is broken or missing”;

d) If the product is fitted with a platform:

WARNING “Always ensure the platform and the ladder / stairs are permanently attached to this bunk bed before use”;

e) If the product is required to be attached to a structure of the building or fails the requirement in 4.4 the following warning:

WARNING “This product must be attached to a wall or building structure”;

f) Always follow the manufacturer’s instructions.

g) The recommended size (length, width and thickness) of the mattress(es);

h) A statement that ventilation of the room is necessary in order to keep the humidity low and to prevent mould in and around the bed.

i) For bunk beds/high beds capable of being assembled or disassembled, assembly instructions including a list of the parts supplied and details of any tools required to assemble the bed.

j) Instructions regarding positioning and connection of the means of access.

k) The maximum thickness of the mattress (see 4.1.4) as well as information regarding the mattress maximum thickness marking.

l) A statement to check regularly that all assembly fastenings are properly tightened.

m) The number and year of this European Standard: “EN 747-1:2024”;

n) Name and/or trademark of the manufacturer or importer and the respective European address.

#3 There was no purchase information was provided.

Purchase information shall be available at the point of sale and shall contain the following:

a) name and/or trademark of the manufacturer or importer and the respective European address.

b) a statement or a pictogram to inform that the high/upper bed is not suitable for children under six years (see Figure 7);

c) if not supplied with the product, the recommended size (length, width and thickness) of the mattresses.

d) if the product is required to be attached to a structure of the building or fails the requirement in 4.4 the following warning:

WARNING “This product must be attached to a wall or building structure”

NOTE: If the product is sold through internet, the point of sale is the web page where the product is sold.
